

# Associated Student Government Board of Trustees Report March 2018

## General Updates:

Winter quarter is almost over and ASG has been doing some WORK. The team had breakfast with Rep. Goodman Feb. 6<sup>th</sup> to discuss decisions being made in the legislature at that time. We met with a representative from Hopelink about the food pantry and are hopeful about building a relationship which not only supports the services we currently offer but also expands the possibilities of what we can offer in the future. Both budget committees (S&A and Tech Fee) are fully staffed and meeting, we are very grateful to everyone in the college community who has stepped up to serve on these committees. Finally; ASG, student leaders, and Marketing have been meeting regularly to discuss a new name for Starfish. We should have a final name in just a few days.

## Event Report Out:

### 2/7/18 Lunar New Year

Students gathered in the East Mall to learn calligraphy from multiple cultures and enjoy traditional Chinese candies and fruit. Red lucky envelopes were also passed out to students. Happy New Year!

### 2/14/18 ASG Club Day

This was a combined event between Clubs and the Campus Life Programmers. Club members said they talked to more students than ever about signing up for their clubs. Students played Club Bingo which qualified them for a raffle, 2 lucky students won movie tickets and a gift basket.

### 2/14/18 Valentine's Day

Valentine's day?!? More like Romantic Arts & Crafts Day! Students were provided with supplies to make multiple types of crafts for loved ones or themselves. Students made custom chalk messages boards, stress balls and enjoyed club activities. The highlight of the day, as always, was the amazing artists; balloons and caricatures.

### 2/20/18 Slavic Maslenitsa

Traditional Russian dancers, in amazing costumes, performed in the East Mall. Students enjoyed traditional foods and participated in a gratitude activity for welcoming Spring.

### 2/22/18 Black History Month Celebration

"Let Freedom Sing" was played for a group of students in the Student Program's conference room. The movie follows the civil rights movement through the lens of music. Information showcasing unsung heroes of the Civil Rights Movement and beyond were displayed in the Student Program window. The display was very intentionally planned and beautiful.

### 2/23/18 Family Movie Night

COCO was a hit. This was the first time Campus Life held a movie night on a Friday and it was one of the best ever attended. Over 75 students and their families joined us for this exclusive LWTech showing of the Disney film Coco: which follows a young boy, Miguel, to the magical land of his ancestors to uncover the mysteries behind his family's stories and traditions.

### 2/28/18 Escape Room

Students enjoyed this LWTech exclusive Escape Room. Students were challenged to solve multiple puzzles to escape the room. While many teams did not finish all the puzzles in the 10 minutes allotted, one group set a record of 7 minutes!

### 3/6/18 PTK Winter Induction Ceremony

PTK hosted their quarterly induction ceremony. Club participation continues to grow.

### 3/7/18 International Women's Day

2018 #Press for Progress! Campus Life provided students with free #Press for Progress t-shirts to custom design and information about influential women in; politics, health sciences and education, today.

### 3/12/18 End of Quarter Massages

Students were able to sign up for massages throughout the day to help with stress from finals. Additional information about surviving finals with positive self-care were distributed.

## Upcoming Events for Winter Quarter

3/14/18 18 IN 43 Assembly

3/14/18 Pi Day
