# School of Business and Entrepreneurship

Transportation, Logistics, and Supply Chain Management student

“LW Tech has helped and allowed me the opportunity to...take classes that directly apply to my work. The classes are focused in the way that I want to be learning. I’m using what I learned, right now. It’s practical and applicable.”

—Margit Moore, Business Technology student

The programs offered at Lake Washington Institute of Technology’s School of Business and Entrepreneurship prepare students for successful business-related careers.

Programs offered in the School of Business and Entrepreneurship are for people who are interested in the operational areas of business, including but not limited to, Accounting, Business

Technology, and Human Resources, just to name a few.
